THOSE WILD RABBITS – Dr Bruce Munday

In December 1859, Thomas Austin introduced 24 wild rabbits to Barwon Park, near Geelong.

By 1920 it is thought there were 10 billion rabbits rampaging across the nation.

Bruce's presentation will look at the immense damage these cute little bunnies have inflicted on Australia's environment, agriculture and social cohesion, and examines our mostly futile attempts to control them.

PROXY FORM

I the undersigned, being a financial member of U3A – AH, hereby appoint

.....
as my proxy to vote on my behalf at the U3A AH AGM to be held on the 29th August 2025

Signed by the said memberDate
